

## **APPLICATION FOR IN-STATE TUITION<sup>1</sup>**

In-state tuition rates are a privilege authorized by the Connecticut General Statutes and are awarded only upon successful application for in-state tuition. Generally, the residency classification is determined at the time of application for admission.

The University makes its decisions according to the applicable state law and within procedures developed to conform to the boundaries of this law. In-state tuition is governed by *General Statutes* 10a-26, et. seq. Additionally, the Veterans Access, Choice, and Accountability Act of 2014 (HR 3230) requires CCSU to charge qualified veterans, and their dependents, in-state tuition. The purpose of this application packet is to help you collect and submit the appropriate documentation to support your petition for in-state tuition rates.

An individual is eligible for in-state tuition under one of the following conditions: (1) as an emancipated student who is domiciled in Connecticut; (2) as an unemancipated student whose parents are domiciled in Connecticut; (3) as a Connecticut resident who attended four years of and graduated from a Connecticut high-school; (4) as an emancipated student whose spouse is domiciled in Connecticut; (5) as a member of the military whose *Home of Record* is Connecticut or who is stationed in this state pursuant to military orders; OR (6) as a veteran, or the dependent of a veteran, who resides in Connecticut and was discharged no more than three years prior to enrollment, after a period of at least 90 days, who is using VA education benefits under the Montgomery GI Bill – Active Duty (Chapter 30) , Post 9/11 GI Bill (Chapter 33), or Marine Gunnery Sergeant John David Fry Scholarship.

There are three steps by which you apply for in-state tuition. First, you must determine the criteria you are using to support your application. Second, you need to collect and submit the appropriate documentation by the due date. Finally, we ask you to sign a notarized affidavit confirming the accuracy of the information submitted. Please note you may or may not be called for an interview, after which you will receive notification of your application status. A completed Application for In-State Tuition must be received prior to the start of the semester that a student is claiming eligibility.
