Bachelor of Arts Degree, Graphic / Information Design

Fall 2005 (rev. 4/12)

Admission to Major: Acceptance into the University and participation in the Pre Graphic Information Design program does not guarantee acceptance into the Graphic / Information Design major. Acceptance into the GID major is competitive and is limited by the number of students who can be accommodated. A student must receive a score of 85 or better in the comprehensive assessment administered in DES 122 to be considered for admission.
