Minor in Management Information Systems (for business majors and non-business majors)

The minor in management information systems complements the student's major area of study with a focused professional component in the field of management information systems. The minor may be completed by any university student.

18 credits from MIS201, MIS220, MIS 300, MIS305, MIS312, MIS 315, MIS 361, MIS 410, MIS 450, MIS 460, MIS 462

School of Business students must maintain an overall GPA of at least 2.5. Non-business majors must maintain a minimum 2.0 GPA

Alternatively, non-business majors may enroll as a business minor with an emphasis in MIS. Requirements follow the guidelines for all business minors In consultation with a faculty advisor.
