Meeting called to order at 3:30 p.m.

Minutes of the March 1, 2010 meeting approved.

Review report submissions

The Committee reviewed report submissions for Art (BA), Art Education (BS), Art Education (MS), and Criminal Justice (MS). Identified points for feedback for these programs will be worked into letters and sent back to program departments. Reviews also included examination of summarized feedback from rubrics submitted to OIRA.

Ratings over time

Dr. Hosch reported on the differences between ratings on the review of the Special Education (MS) program conducted in October compared to those conducted in March. The summarized overall ratings were similar but the number of items where the majority of reviewers rated the item as “developed” increased from 5 out of 18 in October (reviewed by 15 people) to 9 out of 18 in March (reviewed by 10 people). This change could represent drift as reviewers read more reports in the “not yet developing” range and changed their standard or the result of more stringent reviewers not submitting their rating sheets.

Meeting adjourned

The meeting was adjourned at 4:45 p.m. Next meeting will be April 5, 2010, 3:30 to 5:00 p.m. in the 1849 Room, Student Center.

Respectfully submitted,
Carol Morano
