

## **Planned Program of Graduate Study**

The graduate planned program of study (GPPS) is an important document representing an official agreement between the student and the university, with the academic advisor. The GPPS lists the courses and other requirements that must be completed prior to program completion or graduation. The GPPS is not official until your academic signs and approve it and it is processed by the Registrar's office; it must be submitted before the completion of 15 course credits. (An earlier submission is recommended.) The official copy is retained in the student's university academic record. The GPPS must be revised for submission if changes are made and approved by the advisor.

Name:	Student ID#:
Phone #:	Degree: MA
CCSU Email:	Major: Mathematics - Actuarial Science
	Academic Advisor:

CCSU Courses	Transfer Course/	Credit	Semester	Year	Grade	
	Univ. Where Taken	Value	Taken	Taken	Received	
ACTL 565 Long Term Actuarial Models I		4				
ACTL 566 Short Term Actuarial Models II		4				
STAT 535 Loss and Frequency Distributions		3				
DATA 511 Introduction to Data Science		4				
ELECTIVES (12-15 credits)						
Capstone Requirement: Plan A or B or C						
Minimum Required Degree Credits		30	Cannot Exceed 6 Years for Masters unless Extension is Granted			

No more than 9 credits of 400-level courses listed in the Graduate Catalog can be included in a graduate degree or post-master's program.

The graduate planned program of study does not constitute a contract, either expressed or implied. Additional requirements may be imposed for certification or licensure if such requirements are imposed by outside certification or licensure agencies. The GPPS may be subject to revision to reflect such additional requirements.
