Data from odd years reported to IPEDS (PT faculty in 1998 and 2000 appear misreported in IPEDS; data in this table are correct); IPEDS stipulates that employee headcount is counted as the number of employees on the institution's payroll as of November 1.

Data Source: IPEDS Peer Analysis System for 1993-2001, and hardcopy IPEDS reports 1991 and earlier; the IPEDS Human Resources Survey is collected only in odd years; IR Data Warehouse Facfile Fall 2002 and later. All data 1993 and later verified with Semi-Annual Statistical Reports.
